## Inspiration from Visit California

In this month's newsletter you will find highlights and must visits in California and specifically highlights on how and where to explore animals under water. And for visitors who are looking for a great local place to dive into the world of taste we have gathered some local favorite restaurants.

If you want to become an expert on California, don't forget [sign up](#) to the California STAR training platform.

Happy reading and safe travels!

### Monterey Bay Aquarium

The [Monterey Bay Aquarium](#), an unparalleled facility with soaring, glass-walled tanks that make you feel as if you're truly under the sea, defines the standard for modern marine exhibits. The only way to get closer to swirling sea life is to tug on a wetsuit and dive in. It's also one of the best makeovers on the planet: in the early 1900s, the main building was a bustling canning facility for sardines, all chronicled in fascinating historical displays near the entrance.

### Knott's Berry Farm

A day at [Knott's Berry Farm](#) means taking on mammoth roller coasters, Old West adventures in the authentic 1800's Ghost Town, paying tribute to California's Hispanic roots in Fiesta Village, experiencing the Southern California beach lifestyle along the Boardwalk, and going on a High Sierras adventure with the world's most loveable beagle – Snoopy! Located just 10 minutes from the Anaheim resort area, the once small family farm has grown into today's family fun destination; home to the Knott's Berry Farm theme park, Knott's Soak City Waterpark and Knott's Berry Farm Hotel.

### **China Live, San Francisco**

With its great reviews and Eater's 'Restaurant of the Year' [China Live](#) in San Francisco offers fresh and seasonal Chinese cuisine cooked from specialized stations that merge traditional Chinese and Western culinary equipment. For visitors who want a nice atmosphere and taste the food of China, China Live is a must visit.

### **Guantonio's Wood Fired, Lodi**

The Guantone family catered events across Northern California for a decade before opening this [neighborhood pizzeria](#). Neapolitan-style wood-fired pies are inspired by local agriculture, from the sweet corn–adorned “Summer” to the “Goldy,” topped with goldmine squash. Creative salads highlight seasonal produce such as heirloom tomatoes, peaches, and watermelon.

### **Your guide to San Diego's Seaport Village**

For visitors who are looking for an escape from the cold, San Diego is the perfect getaway and ideal for friends and family. One surefire people pleaser is [San Diego's Seaport Village](#). Sitting right on the San Diego Bay near downtown, Seaport Village is full of shops, restaurants and beautiful views that will not disappoint.

### **California STAR Agent Training**

Become an expert on California through our [CA STAR training platform](#). This free online training program will provide you with training knowledge, as well as tools and resources with images, itineraries, webinar content, and the latest news to help you sell California. The chapters are great for every level of travel advisor selling product, from beginner to expert, and we just posted some great new luxury itineraries to check out as well.

And as an added bonus, all those who complete the new chapter training will be eligible to win a California-themed prize!
