## Graceland Announces Elvis Week 2023 Schedule

Join thousands of fans from around the world and celebrate the life, music and legacy of Elvis Presley during Elvis Week 2023 which will be held in Memphis August 9-17. A special bonus this year will be a new exhibition: The Making of Elvis The Movie which includes behind-the-scenes videos of the making of the Oscar-nominated film.

### Celebrate Elvis' life and legacy

Elvis Week 2023 will mark the 46th anniversary of Elvis' passing, and nine days of events from August 9-17 will take place. Elvis Week has become a pop-culture phenomenon for music lovers from around the world.

Elvis Presley's Graceland will honor the anniversaries of two of Elvis' landmark television specials with the '68 Special 55th Anniversary Enhanced Screening and Aloha From Hawaii 50th Anniversary Concert. Both events will take place at the Graceland Soundstage and feature a live band, special guests, and Elvis on the big screen. Graceland Soundstage events include the Elvis Music Salute, Conversations on Elvis and A Celebration of Lisa Marie Presley.

### Walk on Elvis Presley Boulevard while enjoying his music

Thousands of fans will participate in the cornerstone event, the Candlelight Vigil at Graceland's front gate. Elvis music sets the tone as fans walk up the driveway to Meditation Garden. This event lasts throughout the night as participants gather on Elvis Presley Boulevard listening to music, remembering Elvis, and enjoying the memorials that are created by fans. The Candlelight Vigil Ceremony will also be streamed live online.

## New Exhibition: The Making of Elvis The Movie Exhibition

In partnership with Warner Bros., National Film and Sound Archives of Australia and Baz Luhrmann, Graceland recently opened a new exhibition – [The Making of Elvis The Movie](#) - which is open until September 2023.

Highlights of the exhibition include behind-the-scenes videos of the making of the film, including videos shot while researching Memphis and Tupelo, during the set builds in Australia, and in rehearsals, plus handwritten notes, drafts of scripts, storyboards, props from the film and much more.
