Things to know before going to Disneyland Resort

[Disneyland Resort](#) has been welcoming visitors and making dreams come true since July 17, 1955. Visitors to the park in 2023 are in for a special experience to mark a milestone. Though the park opened in 1955, Walt Disney and his brother, Roy, launched the Disney Brothers Cartoon Studio in 1923. Beginning Jan. 27 and throughout 2023, the park's [Disney100 Celebration](#) will mark the company's centennial with special decor, food and drink, merchandise, and new rides and shows.

Mammoth Lakes is gearing up for a memorable summer

Coming out of a monumental winter which left the deepest snowpack on record in the Eastern Sierra, Mammoth Lakes is gearing up for a memorable summer, one that includes skiing at Mammoth Mountain until at least August.

As Mammoth Lakes transitions into summer and the snow melts away, visitors can expect one of the most vibrant landscapes the Eastern Sierra has seen in years – waterfalls will be flowing at peak levels, wildflower season will be amplified, and fall colors will be on a vibrant display. Once you've arrived there are plenty of ways to stay entertained, including a lineup of [town and endurance events](#) and opportunities to give back to this beautiful place that we all love.

Yosemite National Park is open and here are some things to know

- Yosemite Valley has been under flood warnings due to the melting of snow in the High Sierra. But, so far this May flooding has not caused closures.

- The park is busy during the day and it's always best to enter the park in the early morning (6am-9am) to avoid traffic.
- Check the [Yosemite National Park website](#) and their Facebook page to get the latest conditions before you head to the park.
- For those looking for a trip to Yosemite Mariposa County check out these historical places to stay at below
